

Mississippi State University
Invitation for Bid 22-128, Center Display
Addendum Two

October 11, 2022

The following question was received pertaining to the above bid file. See answer below and bid accordingly. Acknowledge this addendum by writing the number and date of the addendum on the bid form.

- 1) More specifications are needed for the product stands. How heavy are the PACCAR engine and the engine block? Do you want a this stand to be similar to an engine mount? Or will a riser be sufficient for viewing? Is there a design rendering of the stands needed?
 - a) The engine block stand will need to be a black steel stand with a base dimension of 32 x4 4x 4 inches. In the center of the stand, a support beam with be 8 inches diameter and 2 feet height, that will be bearing the load of the engine block. The stand should be equipped with 6 inch diameter wheels at the base to allow for mobility of the display.
