 - Attestation of compliance (AoC) from all parties involved in handling or that affect the security of cardholder data.
 - Verify that all devices have a current PTS certification and have an expiration date at least 3 years past the installation date of the solution.

 - Require specific reporting requirements and interfaces to support Banner integration and automatic posting of credit/debit card payments to the ERP. The exact file layout will be provided upon request.
- **Option 3** – Use alternative third-party solution. Use vendor's Merchant ID.
 - Work with members of MSU's PCI Council and third-party PCI Compliance consultant to review the solution.

10. TWO-PHASE, BEST AND FINAL OFFER

If the initial proposals do not provide MSU with a clear and convincing solution, or if MSU feels it is appropriate to offer the potential providers an opportunity to submit revised proposals, MSU reserves the right to use a two-phase approach and/or invite Best and Final Offers (BAFO). Based on the information obtained through the proposal submittals (Phase-One), MSU may choose a specific business model, and potential providers may be asked to submit revised proposals based upon that specific model.

The evaluation committee may develop, for distribution to the top-ranked firms, refined written terms with specific information on what is being requested as a result of information obtained through initial RFP submittal process. Proposers may be asked to reduce cost or provide additional clarification to specific sections of the RFP. Selected proposers are not required to submit a BAFO and may submit a written response notifying the solicitation evaluation committee that their response remains as originally submitted.

11. TERM OF CONTRACT

It is MSU's intention to enter into a three (3) year contract, estimated to begin September 1st, 2023.

In the event the necessary corrective action has not been completed within a ten (10) day period, the contractor must submit, in writing, why such corrective action has not been performed. The University reserves the right to determine whether or not such noncompliance may be construed as a failure of performance of the contractor.

Termination of contract by contractor without cause can only occur with at least one-hundred and twenty (120) days-notice prior to the proposed termination of the contract.

In the event MSU employs attorneys or incurs other expenses it considers necessary to protect or enforce its rights under this contract, the contractor agrees to pay the attorney's fees and expenses so incurred by MSU.
